Mis Case No 748/1906-7

I have the honor to state that Biligiri
Ranga Char and two others in exe-
-cution of a decree obtained by
them against the late Swamigal
attached in the aforesaid Execution
case Rs 5000/- and odd forming
part of the savings of the said

and deposited in the Government

As instructed by the Deputy Com-

to the attachment on the ground that the null properties being Devadaya grants" are not liable to attachment. A copy of the application is herewith enclosed for perusal. After the application was filed, the late swami who was one of the counter petitioners died and his successor the present swami has been brought on record as his representative and served with the notice forming the enclosure of the Moolmukha referred to above. At my request the case stands adjourned to the 8th instant. If the present swami wishes to side with Government in opposing the attachment, a written statement for the purpose may be filed on his behalf through an advocate to be engaged by him. Appearing as I do for the Deputy Commissioner as petitioner, I do not think that it is in accordance with the fitness of things that I should appear for the representative of a party arrayed as a counter petitioner. In these circumstances I request

request to be furnished with
further instructions in the
matter
